

Terms of Service (ToS)

Last Updated: [April 14th, 2025]

1. Introduction

Welcome to Monkeys with Typewriters (MwT)! By using or accessing MwT, you agree to these Terms of Service (“ToS”). If you do not agree, you may not use MwT.

2. Description of Service

- MwT is a creative synergy environment aimed at generating, refining, and stabilizing text expansions with minimal meltdown risk.
- Our system includes man-machine-monkey synergy checks, meltdown-prevention routines, and partial illusions quarantine if illusions appear.
- We currently provide or plan to provide:
 1. A synergy-based text generation environment (“Monkeys”),
 2. Meltdown logic checks (“Machine”),
 3. A human mediator approach for final expansions (“Man”).

3. User Obligations

1. Compliance: You agree to comply with all applicable laws and not use MwT for illegal or harmful activities (hate speech, spam, etc.).
2. Accurate Info: If you provide any info (like username or references), you ensure it’s valid and you have rights to share it.
3. Respect: Do not disrupt meltdown checks or synergy expansions. We maintain meltdown-prevention to keep expansions meltdown-free.

4. Intellectual Property

1. MwT Ownership: We (the MwT creators) retain rights to the synergy environment, meltdown checks, and branding.
2. User Content: Any text or ideas generated by the “monkeys” or synergy environment might remain the user’s property, but by contributing or interacting, you grant MwT a license to store and display that content for meltdown checks, synergy expansions, or demonstration.

5. Limitations & Disclaimers

1. No Guarantee: While meltdown checks aim to keep expansions meltdown-free, we do not guarantee the environment’s absolute stability or results.
2. No Liability: MwT is provided “as is.” We disclaim liability for any direct, indirect, or consequential damages arising from synergy expansions or meltdown logic.
3. Third-Party: MwT may integrate with external APIs or environment logics. We are not responsible for external disruptions or illusions that might bypass meltdown checks.

6. Changes to the Service

We reserve the right to modify or discontinue MwT features (including meltdown checks, synergy expansions) at any time without notice. We may also update these ToS. We’ll attempt to notify you if major changes occur.

7. Termination

We can terminate or suspend your access if you violate these ToS or use MwT in a way that threatens meltdown prevention or synergy stability.

8. Governing Law

These ToS shall be governed by and construed in accordance with the laws of the United States. Disputes arising from MwT usage will be handled in the courts of Florida law, unless otherwise agreed.
